

SAFETY TIPS

Grinders and Choppers

- Always wear hearing, head, eye and face protection.
- Shut off equipment before removing clogged materials or making adjustments. Prevent operation by disengaging clutch, locking out controls and removing the key.
- Barricade the area around operating equipment to prevent others from entering.
- Never feed small, short pieces of wood by hand. This can result in death or dismemberment.

Zenith provides workplace safety resources at: **TheZenith.com**[®]

Zenith Insurance Company/ ZNAT Insurance Company. 21255 Califa Street. Woodland Hills, CA 91367 ©2010 Zenith Insurance Company. All Rights Reserved. @Zenith, TheZenith and TheZenith.com are registered US service marks. Zenith Insurance Company (Zenith) assists employers in evaluating workplace safety exposures. Surveys and related services may not reveal every hazard, exposure and/or violation of safety practices. Inspections by Zenith do not result in any warranty that the workplace, operations, machinery, appliances or equipment are safe or in compliance with applicable regulations. Any recommendations and related services are not and should not be construed as legal advice or be used as a substitute for legal advice. Employee protection is ultimately the responsibility of the employer. Policy coverage is not contingent upon the provision, efficacy or sufficiency of these services.
