

ZENITH UNIVERSITY

DDC-4 Defensive Driving

(PRESENTED IN ENGLISH)

Course Description

This four-hour course emphasizes the importance of keeping our roads safe. Participants will be learning about practical strategies to reduce collision related injuries, fatalities and costly repairs.

The training stresses the importance of attitude in crash prevention and reinforces good, sensible driving skills that participants already have. Most importantly, it clearly demonstrates the consequences of the poor choices drivers make behind the wheel.

Seminar attendees will learn:

- Superior strategies to prevent collisions and citations
- Coping strategies for dealing with road rage, impaired drivers, high-speed drivers and other dangers on the highway
- The know-how for evaluating and improving driving skills after mapping out a personal skills inventory
- The serious consequences of fatigue, distracted driving, emotional impairments and other risk factors
- Why vehicle malfunctions and poor maintenance contribute to collisions

WHO SHOULD ATTEND THIS SEMINAR?

- Safety managers
- Supervisors
