

**ZENITH UNIVERSITY**

# Combined Cal/OSHA and Safety Seminar

(PRESENTED IN ENGLISH)

## Course Description

### **Cal/OSHA Updates for 2012 and Top 10 OSHA Violations**

Zenith safety and health experts will review the latest laws and regulations affecting Ag employers. In addition, a review of the most common Cal/OSHA and Fed/OSHA violations for the Ag industry will include tips and resources to help avoid violations.

### **Workers' Compensation Basics and the Financial Impact of Safety**

This will start out as discussion of the workers' compensation system. We will highlight often-overlooked barriers to claims management, safety and maximum profitability. By gaining an understanding of the source of loss and the strategies to control the loss, attendees can implement a plan to patch the holes leaking precious dollars from their bottom line.

### **Safety Meeting Effectiveness**

This brief seminar will review the do's and don'ts of conducting safety or tailgate meetings. Tips will be provided on how to make your meetings more meaningful and impactful. We will also provide guidelines on how to document and follow up on employee safety concerns.
