

ZENITH UNIVERSITY

Supervisor Accountability

(PRESENTED IN ENGLISH)

Course Description

Since supervisors work directly with your employees, they are the key to making your safety program work and reducing costs associated with workplace accidents.

Webinar attendees will learn:

- A supervisor's leadership role as it relates to safety
- The involvement of supervisors in accident investigations
- Why supervisors need to be held accountable
- The benefits of a supervisor accountability program

Possible outcomes to expect from implementing an effective accountability program include a reduction in accident frequency, lowered workers' compensation costs and an increase in employee morale, production and quality.

WHO SHOULD ATTEND THIS WEBINAR?

- Owners/presidents
- Supervisors
- Managers
- Safety professionals
- HR professionals
