

Welcome to TheZenith.com®

Explore Our Services

Zenith's website is filled with tools and resources to help you improve workplace safety, manage workplace injury claims, implement a return-to-work program and fight fraud. From the homepage, you are one click away from our Z-News sign up, medical provider search, online bill pay and more!

Download State Forms and Notices

At Zenith, we like to keep things simple and easy for you. That's why we've collected important state forms and notices for you to print out or complete online. Our forms library also includes safety checklists, tip sheets and other helpful materials.

Report an Injury

Quick reporting of your employee's injury is the first line of defense in controlling claim costs. Use our website to report an injury 24 hours a day, 7 days a week. In addition, access a variety of claim management resources directly from the homepage.

Working late? Early riser? Access your account information on *your* schedule.

Signing up for Zenith's online account services is quick and easy! Your company's owner, officer or principal can request access for up to five additional users during the sign-up process. Access for each additional user can be limited to specific account features, such as the ability to order free resources.

Manage Your Policy

Access Claim Information: Receive detailed, up-to-date information on individual indemnity claims, including the plan of action, time frames and reserve rationale.

Review Loss History: Monitor the frequency and severity of your employees' claims by viewing your loss data.

Pay Your Bill: Ensure your payment has been received and check for the due dates on future payments.

Verify Policy Status: Stay current on your policy renewal date and confirm that your Zenith coverage is in effect at all times.

Order Free Resources

Help manage your workers' compensation costs using our comprehensive library of safety, fraud and claim materials—including videos, posters, state forms and more!

Policyholders can order printed copies of materials, view their order history and track delivery. Our materials can also be shared electronically, and more than 85 safety videos can be viewed online.
