

PROTECT YOUR BUSINESS FROM COSTLY FALL INJURIES

SAVE 5 – 19% ON GRIPPY MATS

Falls on slippery floors are among the most frequent and serious type of injury. While ordinary rubber or carpet mats are a common solution, the mats themselves can create a tripping hazard. Conventional mats can wrinkle, bunch, and shift, often causing falls they were meant to prevent.

New Pig is dedicated to keeping floors clean, dry, and safe. They offer a unique line of adhesive backed and absorbent Grippy Mats. These low-profile, high-traction mats stick to the floor, trap dirt and liquid, and dry quickly. They can help reduce slip, trip, and fall incidents that frequently result in employee injury and third-party liability claims.

Grippy Mats can easily be cut to size, allowing precise coverage to keep your floors clean and dry. They can also be customized¹ to add your logo, safety message, or branding without changing their safety features.

As a Zenith policyholder, you're eligible for a special discount from 5% – 19%, depending on the products you select, **plus an additional 10% off** your first order. Request a free starter pack to try Grippy Mats before you buy.²
