

Protect Your Employees From Falls on Slippery Surfaces

TheZenith®

A FAIRFAX Company

GRIPPY® MAT

NO SLIP. NO TRIP. ALL GRIP.™

Falls on slippery floors are among the most frequent and serious type of workplace injury. While ordinary rubber or carpet mats are a common solution, the mats themselves can create a tripping hazard. Conventional mats can wrinkle, bunch, and shift, often causing accidents they were meant to prevent.

New Pig is a company dedicated to keeping floors clean, dry, and safe. They've designed a unique line of adhesive backed and absorbent Grippy Mats. These low-profile, high-traction mats stick to the floor, trap dirt and liquid, and dry quickly. They can help reduce slip, trip, and fall incidents that frequently result in employee injury and liability claims.

Grippy Mats can easily be cut to size, allowing precise coverage to keep your floors clean and dry. They can be customized¹ to add your logo, safety message, or branding without changing their safety features.

As a Zenith policyholder, you're eligible for **a special discount from 5% – 19%, depending on the products you select, plus an additional 10% off your first order.** Request a free starter pack to try Grippy Mats before you buy.²

To order:

- Call 855-493-4647, or visit newpig.com/grippy and shop online
- Select product(s)
- Provide promo code **ZEN10** at check out

For assistance selecting the right product for your needs, getting your free starter pack, or requesting help with installation, contact your Zenith New Pig representative, Luke Blattenberger, at 814-686-2342 or lucasb@newpig.com. Visit newpig.com/grippy to learn more.
