

SAFETY FOOTWEAR DISCOUNT

KEEP EMPLOYEES SAFER WITH PROPER FOOTWEAR

At Zenith, we're committed to helping you keep your employees safe on the job. As part of the loss control services we offer, we've arranged a discount for you if you aren't already enrolled in a corporate shoe program** with Shoes for Crews.

Proper footwear can help prevent employee injuries and help you operate a safer workplace, which over time can lead to lower insurance premiums. Depending on the products purchased, you can save an average of 10-15% on the retail price of quality slip, puncture, and crush resistant footwear from Shoes for Crews.
