

Ask the Experts: HR and Safety Resources

TheZenith®

WORKERS' COMPENSATION SPECIALISTS

We know you need easy access to important tools and information to run a safe and efficient operation. That's why we've created Zenith Solution Center®, a free web-based suite of industry-specific risk management resources designed for your business needs. Zenith Solution Center is packed with vital resources and now has two additional valuable features: Ask the HR Expert and Ask the Safety Expert.

Ask the HR Expert

When you have urgent HR questions, you need quick answers and professional expertise. Ask the HR Expert connects you to a team of certified HR professionals ready to help you make informed decisions for your business and employees. Simply call an HR expert using the toll-free number in Zenith Solution Center or submit your questions through the online form. Get best practices guidance on topics such as: employee behavioral issues, harassment and discrimination, absenteeism, Americans with Disabilities Act (ADA), Family Medical Leave Act (FMLA), wage and hour issues, employment terminations, and more.*

Ask the Safety Expert

Professional risk control advice is only a click away. Submit your safety, health, claims, or return to work questions through the online form in Zenith Solution Center and get guidance from one of our in-house Zenith experts. We're focused on helping you protect your most valuable asset – your employees. We're available to help you reduce workplace injuries, navigate state and federal compliance matters, and bolster your safety and health program.
