

2019 ZENITH UNIVERSITY WEBINARS

We're offering several employee safety and health and workers' compensation webinars that you and your employees can attend from any location with internet access.

Our online webinar trainings will help you and your employees cultivate a safe and healthy workplace and stay productive. These free webinars are based on region, state laws and regulations, and industry best practices.

Visit TheZenith.com[®] and scroll down to Zenith Solution Center[®] on the homepage for more information or call 800-440-5020.
